

glessegi

Company profile

“A highly industrialized production that does not forget its origins”

OUR STORY

Since 1970

Giessegi Industria Mobili is one of the most significant realities in today's international furniture business.

Representing a **great imprenditorial venture**, the company made quality its prior mission, renewing its proposals to improve at best the life style and the most contemporary trends.

An infinite **experience** matured over time based on the taste of generations of consumers.

A company full of culture and experience in the furniture business. A complete production that moves forward with its own '**Giessegi Philosophy**'.

MISSION

The protagonist of a highly **successful** business adventure, the company has made the continual striving for quality its mission. Renewing its offerings, to reflect the very latest lifestyles and trends to best effect.

The philosophy underlying Giessegi's design work is the supply of intelligent **solutions** that meet the needs of contemporary life, with products that make spaces more comfortable and combine style with function.

Quality, dynamism and **efficiency** are Giessegi's core values, guaranteeing high standards and reliability.

COLLECTIONS

Discover our ideas
and solutions
to **live** your spaces

COLLECTIONS NIGHT

The wardrobes of the Night collection, developed with the highest stylistic consistency, are part of a careful selection, where the style is varied but always faithful to elegance and good taste.

SIMPLE AND AUTHENTIC SPACES

The elements, featuring excellent finishes and perfectly balanced proportions, are a refined and generous complement, where the varying thickness and the thoughtful attention to details play a fundamental role in achieving harmony of composition.

COLLECTIONS

WALK-IN WARDROBES

The collection offers three solutions for walk-in wardrobes; they stand out by one main aspect, elegance. The boiserie fits every environment, offering functionality and efficiency. The struts walk-in wardrobe, with its metal elements, gives total freedom in the compositions. The panels walk-in wardrobe, works as wall systems, features a wide range of accessories and finishes.

SEMPPLICITY AND ELEGANCE IN EMOTIONAL SPACES

Our walk-in wardrobes ensure an efficient and dynamic organization of contents, the shelves are positioned to accommodate the most diverse variety of items. The carefully designed wardrobe compartments enable the creation of the most efficient organization in the arrangement of clothing. The internal drawers add additional opportunities and solutions for any need.

COLLECTIONS LIVING

A collection of different ideas for your living area. A wide range of solutions that extends from modern and contemporary design to classical and traditional taste.

YOUR LIFE YOUR LIVING

Wall systems, book shelves, tv stands and home offices are just a little part of our collection. The high modularity and versatility is in harmony with your spaces. Our furniture are meant to contain and enhance your loved objects and your best memories.

COLLECTIONS KIDS

Giessegi has always created dynamic projects in order to meet the tastes and needs of the little ones: wide modularity even between elements of different nature and use, possibility of customization and wide color palettes to choose from.

GREAT SOLUTIONS LIKE OUR KID'S DREAMS

Overhead structures, which allow you to use every inch of the bedroom even in height; bunk beds, which optimize space intelligently; bridge structures, functional and space-saving proposals that do not give up style; and finally concealed solutions, ideal if space is limited, capable of making the bedroom practical and transformable.

COLLECTIONS CONTRACT

The collection focuses on hotel and residential units. Different moods and different lifestyles are the main aspects of the collection. Contemporary proposals declinable in a wide range of finishes confirm Giessegi's continuous research for quality and refinement.

TRAVEL NOTES

Our contract collection will absolutely improve and furnish every single detail of your spaces, interpreting locations with elegance and prestige.

COLLECTIONS OFFICE

The office collection will absolutely furnish your working environment at 360°. The Executive space is characterized by prestige, elegance and attention to details, which well express the image; The Meeting Room is the very essence of the image of a company: large and light tops, supported by solid, simple and elegant bases; the Reception is simple and harmonious, solid and minimal.

EXECUTIVE SPACES DEFINED BY PRESTIGE AND ELEGANCE

The Operative office is a place in continuous transformation that must reflect the evolution of single and group work, inserting modern and flexible containment and separation solutions. Each room shows its own personality and a useful compositional versatility.

OFFICE

ENVIRONMENTAL POLICY

The company focuses its business practices on the environment. As well as improving its management procedures and helping to conserve the environment, Giessegi has adopted **more responsible** behaviour and has made a genuine contribution to the more rational use of the world's resources.

Giessegi's products are also guaranteed by "Ecological Panel" certification, which guarantees that no trees are felled for the production of its furniture.

The ecological panel is unique in the world's furniture industry and is made from **100% recycled wood**.

CERTIFICATES

Giessegi has achieved its aim of certification of its **Quality Management System** under the ISO 9001:2000 international standard, a guarantee of quality and safety.

Giessegi has thus proven its capability for developing the processes needed to achieve results that conform to the Customer's requirements and corporate policies, and to implement measures for the continual improvement of processes, which ensure constancy in production operations and in the quality of the products or services supplied.

Giessegi 's products are also guaranteed by "Ecological Panel" certification.
